## MYSTERY SHOPPING COMPANIES

Below you'll find our database of companies and websites that are actively seeking mystery shoppers or offer secret shopping assignments. These are all companies that will actually pay you to shop, whether it is dining at restaurants, shopping at stores, watching movies, or many other forms of mystery shopping. To get started mystery shopping right away, we recommend registering with as many as possible of the companies we have listed below. In many cases, the link we have listed goes straight to the registration page. Remember, the more companies you register with the more secret shopping assignments you are likely to receive.

Also keep in mind that we here at MysteryShoppingGuide.com are serious about maintaining the largest and most comprehensive mystery shopping database available on the internet. We update our database regularly, so check back often in our members area to see what's been added. We are also always looking for new mystery shopping sites to add to our list. If you find any mystery shopping site that we do not already have listed in our database, simply report it to us on our [Contact Us](#) page, and we will send you a \$10.00 payment via [PayPal](#) as a way of thanking you for helping us keep our mystery shopping database the best on the internet. This special offer is open to all valid paid members of MysteryShoppingGuide.com.

We attempt to keep this list as current as possible. If a link is down, try back in a day or two, it could be a server or connection problem. If you find a link that is down for any extended period of time, please [let us know](#).
